INTERNATIONAL, INC.

DRIVEN TO PERFORM.

# ELECTRIC VEHICLES

*Go Green* WITH OUR LOW SPEED VEHICLES

100% Electric | Zero Emissions

# Models

## GREENTRUCK® | EVX1000

No Electric Low Speed Vehicle compares to the Vantage GREENTRUCK® because the GREENTRUCK® offers the comforts of a fully equipped automobile such as adjustable contoured seats, standard heater and defroster, standard AM/FM radio, and optional Air Conditioning.

## GREENTRUCK® | EVR1000

The GREENTRUCK® is the most versatile Electric Low Speed Vehicle because its truck bed can be customized to fit each customer's needs. Besides the standard truck bed, some of the most popular truck bed options are the dump truck, scissor lift, tool rack, ladder rack, and camper shell.

## GREENVAN® | EVP1000

The GREENVAN® can be equipped with rows of seating for movement of passengers or customized racks for efficient cargo transportation. The GREENVAN® comes standard with a large sliding side door for easy entrance and exit, and a high and wide hatch rear door for safe loading and unloading.

## GREENVAN® | EVC1000

The GREENVAN® and GREENTRUCK® quickly reach 25 miles per hour and with proper care and charging, can obtain up to 40 miles per charge, providing the ultimate Low Speed Electric Vehicle performance.\* Combine the comforts of a full sized automobile with the efficiency of an electric vehicle and you may never buy gas again!

\*See back for a list of miles per charge factors.

Vantage Vehicle International, Inc. reserves the right to make changes at any time, without prior notice, in prices, colors, materials, equipment, specifications and models, and to discontinue models or equipment. Vantage does not make any warranty or guarantee of any kind, express or implied, regarding the information, including without limitation any warranty regarding its currency, accuracy or completeness or any warranty of merchantability or fitness for particular purpose. All specifications and equipment are subject to change without notice and should not be relied upon. Photographs may not reflect all features accurately, including vehicle version, options and accessories. Availability and delivery times for particular models or equipment may vary. For additional information please contact your Vantage dealer.

\*Range will vary based on factors including but not limited to: temperature, terrain, driving style, road condition, vehicle payload, charge, and battery life span. You may experience longer or shorter battery life span based upon application, charging regimen, depth of discharge, temperature, rest periods, type of equipment, and age of battery.

\*\*Governor Limited

\*\*\*Passenger rating and load capacity depend on whether the vehicle will be driven on or off public roads. Vehicles driven on public roads are rated for fewer passengers and less load due to FMVSS gross vehicle weight limitations. Contact dealer for details.

\*\*\*\*Charging time will vary based on factors including but not limited to temperature and depth of discharge.

Local Sales & Service

The Vantage GreenTruck and GreenVan meet the requirements of the FMVSS 500.\*\*\*
